

Fort Macleod Family Medical Clinic

Fort Macleod, Alberta

The Fort Macleod Family Medical Clinic requires an enthusiastic GP or Family Doctor to join our vibrant clinic in a multidisciplinary setting, supported by the Chinook Primary Care Network and periodic visits from a general surgeon, internist, mental health worker and geriatrician. The clinic is situated in the Fort Macleod Health Centre where there is an active Emergency Department. Emergency on-call is one-in-five with no obstetrics or major surgery, minor procedures only. A FTE works 40 hours/week and can expect to earn through ARP (not FFS) and other revenue streams around \$375,000.00 per annum with a reasonable overhead.

Fort Macleod is a small town located in southwest Alberta and has a catchment population of 4500. The town is within easy driving distance to the scenic Rocky Mountains and the cities of Lethbridge and Calgary. Fort Macleod has a full spectrum of schools, spiritual outlets, and recreational facilities, as well as shopping and entertainment; simply stated this is a family friendly community and is a tremendous town in which to raise a family.
