

Dear Parent,

We are excited to hear that your child may be attending Kindergarten St. Joseph's School for the 2012/2013 school year! As a way to make this experience even more rewarding for you and your child the Boys & Girls Club of Lethbridge and District is offering our Kinder Club Program. Kinder Club runs as a separate after-school program and takes place right in the school. We have spaces for 20 children and we are now accepting pre-registrations because spaces fill up so quickly.

By completing and submitting this form, you are indicating your interest in registering your child for a space in our program and you will receive our registration form and your space in the program will be reserved on a first come first served basis. Please note that we require a **minimum of 10 registrations** in order to run this exceptional program, so tell your friends and help us spread the word!

Our Kinder Club Program provides the following:

- Healthy snacks based on the Canada Food Guide
- Opportunities for your child to participate in structured and optional group activities
